EUROPEAN CONFERENCE
e TRADE, e CUSTOMS, e TRANSPORT, e PORTS
16,17,18 July, Sofia, Grand Hotel Sofia

**Dear Distinguished Guests and Participants,
Dear Colleagues, Fellows,
Friends,**

Thank you very much for your participation at 2nd European Conference on Trade and Transport, E Facilitation, SW and Port Community Systems Development in Bulgaria and Black Sea region, Sofia 16-17-18 July.

The presented opinions, view points and best practices for organizing and operating the trade and port community electronic systems will help us to clarify our position/concept for implementation in Bulgaria.

The first step is made - we signed a Memorandum of organizing National Electronic System for International Trade and Transport, including port community systems as a base.

Memorandum was signed by:

Bulgarian Chamber of Commerce and Industry;
Bulgarian Industrial Association;
Bulgarian Danube Chamber; (tbc once again)
Bulgarian Forwarders Association;
Bulgarian Association of Tug Owners; and pilots too
Bulgarian Association of Shipbrokers and Agents;
Bulgarian Union for Customs and Foreign Trade Services;
Bulgarian Association for Freight Forwarding, Transport and Logistics;

We will continue to seek ways and forms how to realize our concept.
You will be always informed about important decisions that will be accepted.

Your advice and company participation - naturally on a commercial basis - will always be welcomed by us.

Once again thank you most sincerely for your presence and participation at the conference and for meetings with you.

Kind regards,

Nikola Hristov
Chairman Bulgarian Association of Shipbrokers and Agents

George Petkov
Director Short Sea Promotion Centre Bulgaria
